

# Laurel Community Church

## Missions Pledge 2011

### Debbie Skufca

Debbie, sent by Laurel to work with ENTRUST in the area of leadership training since 1984 -- in Eastern Europe, Romania and in the U.S. What God does, as a result of this training, whether in Romania or in the U.S.: **Teams emerge, enormously rich in relationship with Jesus and with others, the impact of which is: 1) lives are changed; 2) people are helped; 3) ministries emerge; and, 4) it spreads outward and multiplies.** Here in the U.S. God is moving Debbie to: **develop a Training System that resources churches in the Portland area, using Romania and Laurel as a model.** One Training group will involve 8-12 women from 4 different churches, who will go through 4 formational experiences and then apply what they are learning in their own local church situations.

### Arlee & Sam Leo

Keynote seeks to build spiritual movements through innovative resources and creative communication. As a ministry of Campus Crusade for Christ, they partner with like-minded ministries around the globe to provide the resources needed to reach and disciple people in their spheres of influence. Whether it's music, comedy, short film, the internet, mobile apps, or training others in using all of the above for evangelism, the gospel of Jesus Christ remains their central message.

Sam develops strategies and resources for reaching the "8th Continent" (aka online communities), and accelerating the spread of the gospel message in the real world amongst a new generation that is digitally fluent. While Arlee's primary role is now full-time mom, she continues to help out at Keynote, as a resource to our bands and artists as well as taking on various projects throughout the year.

*My commitment to Arlee & Sam is* \_\_\_\_\_

### David & Denise Moore

David and Denise Moore with their children Hannah, Benjamin, and Asher have moved to Ambon, Indonesia where they serve with Wycliffe Bible Translators. Indonesia has more languages without any of the Bible than any other country and is a very strategic location. David is serving as the Assistant Regional Team Leader for the province of Maluku and also as the Assistant Coordinator for all the work in Indonesia and travels frequently around

Indonesia and to various countries in Asia. Denise is busy with homeschooling and taking care of the kids and also does some consulting in the area of Scripture Use.
