Youth With A Mission

Youth With A Mission is an international volunteer movement of Christians from many backgrounds, cultures and Christian traditions, dedicated to serving Jesus throughout the world. YWAM began in 1960, and offers disciple and training programs aimed to equip followers of Christ to serve more effectively in a variety of missionary fields. Missionaries can study and obtain a degree in various subjects through YWAM's University of the Nations. One such campus is located in Kona, Hawaii. In fact, YWAM has had a presence on the big island of Hawaii for over 30 years.

CANS & BOTTLES FOR YOUTH

Don't like the thought of hauling your cans and bottles to the grocery store to put through the usually jammed recycle machines? The youth would be glad to have them. You can bring them to the church and put them in the receptacle located in the sw corner of the parking lot. No waiting in line!

Money earned from the return of these cans / bottles greatly benefit the youth group and they would like to thank you for your generosity.
