

Missions Moment

Mission Aviation Fellowship

The mission of Mission Aviation Fellowship (MAF) is sharing the love of Jesus Christ through aviation and technology so that isolated people may be physically and spiritually transformed. MAF serves areas in Africa, Asia, and Latin America. Larry and Linda Whiting are career missionaries, serving 20 years in southeast Asia (mostly Indonesia), and currently on home staff at MAF's US headquarters in Nampa, Idaho. Larry was a pilot/mechanic in Asia, and is currently an aircraft maintenance specialist preparing planes for overseas service.

Operation Christmas Child

It's not too early to begin thinking about packing a shoebox for a needy child's Christmas. Since 1993, Operation Christmas Child has provided children in over 130 countries with shoeboxes filled with school supplies, toys, and hygiene products.

Last year over 8 million children in places such as Fiji, Brazil, and Iraq received these gifts with their accompanying Christian message. It is possible to track your box through the

Samaritan's Purse website and find out the country to which your shoebox went.

There will be detailed information at the church about what types of gifts to select and how to pack a box. Boxes will be collected the week of November 14-21.
